THE "OLD DOMINION" COFFEE POT.

THE "OLD DOMINION" COFFEE POT.

Thousands of this new COFFEE POT have already been sold, and the demand from all parts of the United States is rapidly on the Increase. Wherever introduced, it has given the most complete satisfaction.

THE OLD DOMINION COFFEE POT

Makes better coffee than it is possible to obtain in any other way, because, by an ingenious but simply arrangement, the house-keeper may both der coffee for any length of time without loss of around thus securing all the elements of the coffee in their natural and proportional combinations.

THE OLD DOMINION COFFEE POT

Is the most economical, for, nothing being lost by evaporation is builting, one-fourth less coffee is required; while the beverage is stronger, more forgrant, and more delicions.

THE OLD DOMINION COFFEE POT

Gives a healthy beverage. Nervous, dyspeptic, and biffous persons who have not dared to use coffee in years, have been able Gives a healthy beverage. Nervous, dyspeptic, and billous persons, who have not dared to use coifee for years, have been able to drink their favorite beverage again when made in this new boiler, and without an occurrence of any of the old unjeasant consequences. It is healthy, because by the use of a condenser, evaporation is prevented, and the coffee can be boiled long enough to release all the natural elements of the berry, and get them in just proportions in the beverage.

Never fails to do its work tight. Cook cannot spoil your onp of offee by neglect or forgettainess, after she has paced the boiler on the stove or range.
